Payment method	Cryptocurrency via the official payments page
Asset and network	[asset] on [network]

I AUTHORISE AND CONFIRM

- ☐ I authorise payment of the amount above for the invoice above, and I am the person or authorised representative of the company making this payment.
- ☐ I will pay only through the official World Bridge Meridian payments page, and I will check that the address matches the one published there before I send.
- ☐ I understand World Bridge Meridian never sends wallet addresses by email, message or document, and that no consultant collects payments, private keys or seed phrases.
- ☐ I understand cryptocurrency transfers are irreversible; I am responsible for the correct asset, network and amount, and for network fees.
- ☐ I understand my payment counts only after the Company verifies it and issues a receipt, and that the exchange rate on the invoice is valid only until the time shown.
- ☐ I understand refunds, if any, follow my signed agreement and are paid only to an address I confirm through a secure channel.
- ☐ The funds I am sending are my own or my company's, and come from a lawful source.

Payer signature

Printed name

Date

Return this signed form before sending payment. Payments made without a signed authorization may be delayed while we verify them.
