

Entry and Visa Requirements Notice

Guidance to check before you travel

Entry, visa and health requirements depend on your nationality, passport, route and the countries you visit, and they can change at short notice. **You are responsible for checking and meeting them.** The information below is guidance only and is not legal advice. Always confirm with the official government sources listed.

Booking reference	[WBM-2026-0000]
Destination(s) and transit points	[countries and airports]
Date issued	[date]

REQUIREMENTS BY TRAVELLER

Traveller and nationality	Passport validity needed	Visa or travel authorisation	Other requirements

OFFICIAL SOURCES CHECKED

- [Official government immigration or foreign-affairs page]
- [Official health or vaccination page, if relevant]
- [Your own government's travel advice]

ALSO REMEMBER

- Many countries require a passport valid for six months after your arrival date or return date, with blank pages.
- Some countries need an electronic authorisation before you fly.

- Check airline rules for proof of onward travel and for connecting flights.
- Check customs limits for goods, cash and medication.
